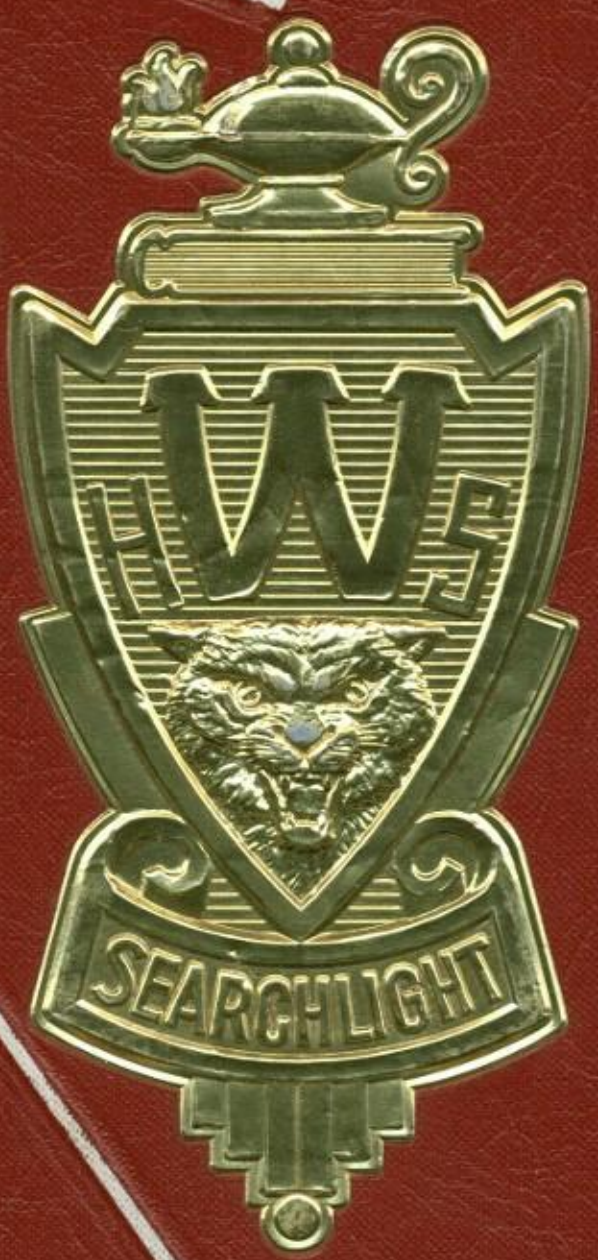
1964



Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make,
Ere life is flown,
A stumbling block
Or a stepping stone.

DR. CARROLL W. BIGGS

MR. JOHN A. MOWDER

FACULTY 64 FOR 1964

Dr. Biggs, Superintendent of the Westerville City Schools, keeps the area school systems operating smoothly. Well qualified for his position, he recently acquired his doctorate from Columbia University. Besides his wife Joan and their four children, Dr. Biggs' interests are hunting, fishing, reading, and travel.

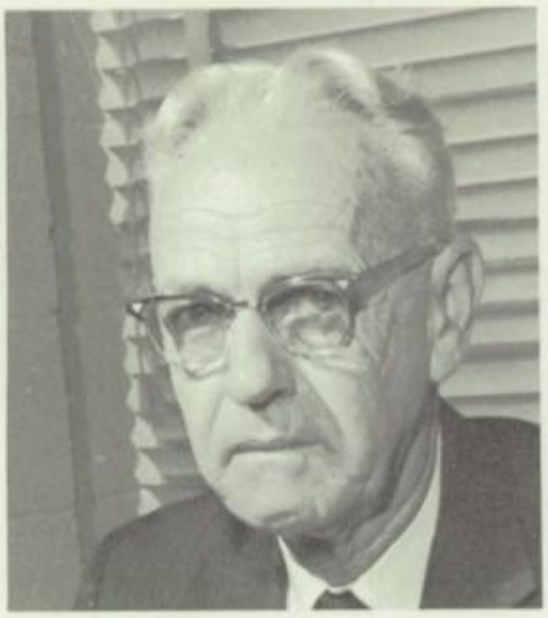
Mr. Mowder, Westerville High School's principal, received degrees from both Muskingum College and Ohio State University. Mr. Mowder, a resident of Westerville, is married and has two daughters and a son. Woodworking and gardening fill in his spare time, provided he has any, after attending the many meetings which are the result of his job and activities in his church and community.

Mr. Morris, Assistant Superintendent, has been a familiar figure at W.H.S. for several years. He attended five schools; Ohio University, Muskingum, Bliss, Columbia University, and Ohio State. He has a B.S. in Business Administration, an M.A. degree, plus additional graduate work at O.S.U. He enjoys music, dramatics, and athletics; but above all—people.

Mr. Gary, our new Vice-Principal and advisor to the Student Council, is an important asset to our school. He is concerned with the vocational needs of students, and is interested in all aspects of student activities, especially the athletic teams and school spirit. He has developed an avid interest in Civil War History and has over six hundred slides on the subject.

MRS. GRACE H. SHELLEY
Clerk, Board of Education

MRS. JOAN GOULD
Sec. to Superintendent



MR. M. RAY MORRIS

MR. THOMAS BANCROFT

MR. PHILIP W. ALVARADO

MR. HERBERT S. GARY

MRS. CORINNE MORLEY

MR. JOHN SEYMOUR

MR. BANCROFT, Curriculum Director for both the junior and senior high schools, has traveled around the world twice and resided in India for ten years. Among his interests are stamp and coin collecting, singing in the church choir, and keeping complete records of the Mid-8 Athletic League. Mr. Bancroft feels that preparation for the future is most important to our lives today.

MR. SEYMOUR, a father of four children, is our excellent guidance director. He feels that through guidance and counseling he can do the most in the name of education. Among his numerous interests is included raising Arabian horses on his small farm. For the past four summers he has gone to school alternating between O.S.U. and O.U.

MRS. MORLEY, our guidance counselor, is a newcomer to W.H.S. Previously a classroom teacher, she became increasingly aware that many students need closer contact and individual guidance. Now as a counselor, she is able to help the student deal with his educational, vocational, or personal concerns.

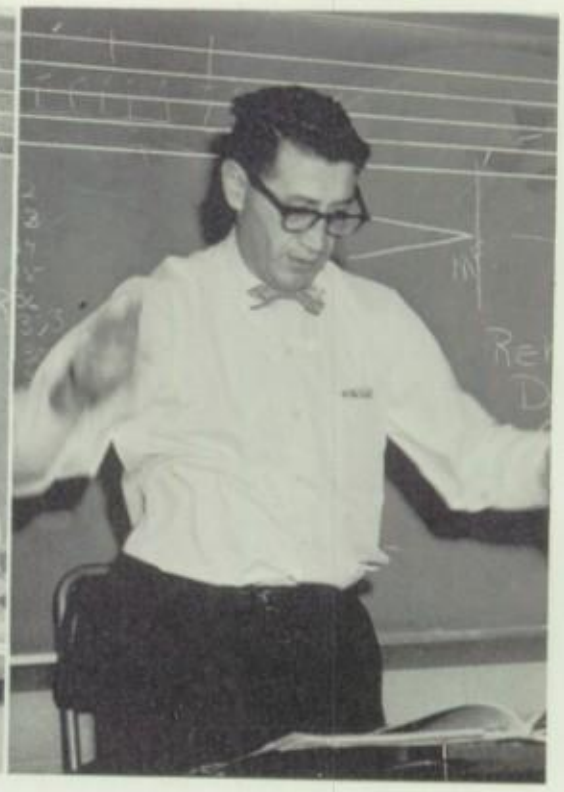
THE Westerville High School office would be lost without its two efficient secretaries, Miss Zora Youmans and Mrs. Betty Hall. Together they keep the office running smoothly. Trying to solve everyone's problems, important or trifling, at times is quite difficult, but these two wonderful women always come through

MR. ALVARADO'S position as school psychologist entails evaluating the mental and emotional maturity, and the levels of achievement of students. A graduate of the University of Toledo, he holds both a B.S. and a M.A. in education, plus several special professional certificates. An unknown fact to many is that Mr. Alvarado can speak Spanish.

MISS ZORA YOUMANS

MRS. BETTY HALL

"This looks difficult."



"Ready? 1,2,3,4 . . .

MRS. GRACE ARTHUR

MR. FOREST BECKER

MRS. DOROTHY BEETHAM

MR. WALTER BAHOREK

MRS. ARTHUR is the one to see for learning the art of being a perfect homemaker. She instructs the older Home Ec. girls in the fields of food, clothing, and household arts. Her studies and personal experience make her a qualified instructor, but even she is unwilling to guarantee against fallen cakes. Sewing, knitting, baking, and her family are her special interests, proof that Home Ec. is a practical course.

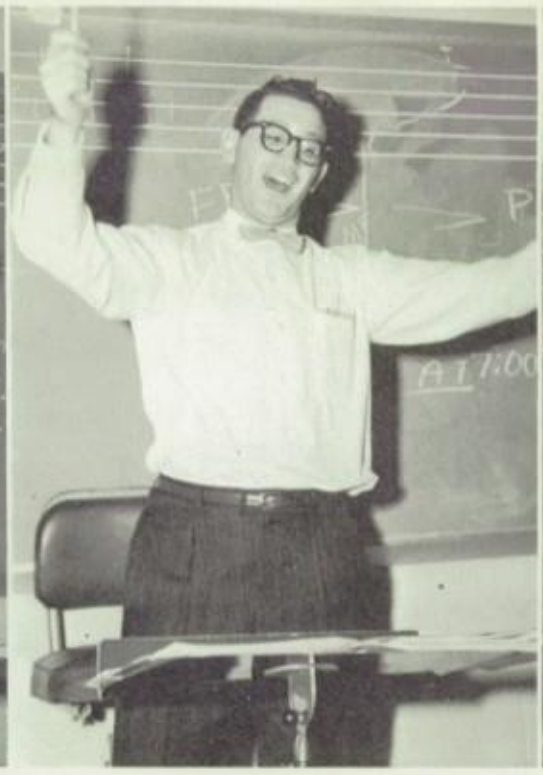
MR. BECKER, director of instrumental music, is celebrating his twelfth year at Westerville High School. His enthusiasm and dedication have made the instrumental department the success it is. A man of varied interests, Mr. Becker enjoys jazz, playing golf, and growing roses. After a busy schedule all year, he looks forward to summer when he can spend more time with his wife and their two children.

MR. BAHOREK instructs W.H.S. in the fine art of mechanical whittling, also known as Industrial arts. After school he can be found as assistant varsity football coach in the fall and as reserve basketball coach in the winter. During the summer he gets his thrills by teaching the upcoming juniors how to drive in a six-weeks' crash course.

MRS. BEETHAM, a new member of the staff, is serving the school in a dual capacity. As a teacher, she helps freshmen learn about their health and the health of the community. As a nurse, she is responsible for the safety and well-being of the student body. She has a family of three children. Her interests are in seeing and learning new things.

"FASTER!!"

"Not too much."



"Ah, that's beautiful."

"Wasn't that swell?"

MRS. REBECCA BERRY

MRS. BERRY, who graduated from Westerville High, attended Capital, Ohio University, and Ohio State University. She also studied at Otterbein four years ago to receive her teacher's certificate. When she is not preparing her sophomore and junior English lessons or working with Y-Teens as an advisor, Mrs. Berry enjoys her special interest—her family. At one time she worked at WBNS-TV as a continuity writer.

MRS. BUNCE, who is one of the busiest teachers at W.H.S. this year, ably performs the tasks of teaching bookkeeping and shorthand to future business leaders. She also advises F.B.L.A. and the annual staff. Mrs. Bunce believes she has made her life worthwhile by helping students adapt themselves to the business world of today. She has a son Dan, who is attending Otterbein.

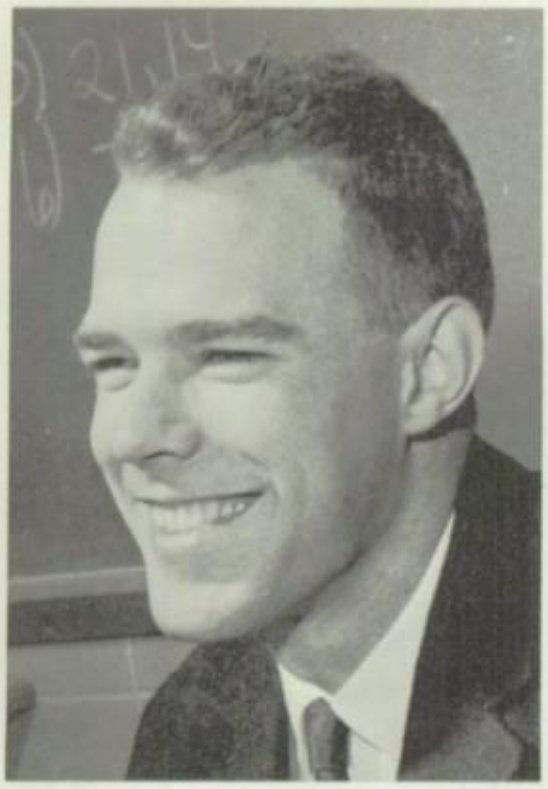
MR. REGIS BIRCKBICHLER

MR. BIRCKBICHLER, American history teacher, finds his second year on the faculty as exciting as his first. His pet peeve is the lack of individualism among high school students. He serves as advisor to the junior class, the Student Council, and the Debate Club. His hobbies include current events and trying to convince Mrs. Ott that the North won the War.

MR. BURNER, in his first year at W.H.S. has taken over the duties of Boys' Phys. Ed. In addition, he is assistant varsity football and reserve wrestling coach. Since he believes that sports are like a miniature of life and that much can be obtained for use in later life by participating in athletics, he enjoys working with young men in an effort to shape their future characters.

MRS. LOUISE BUNCE

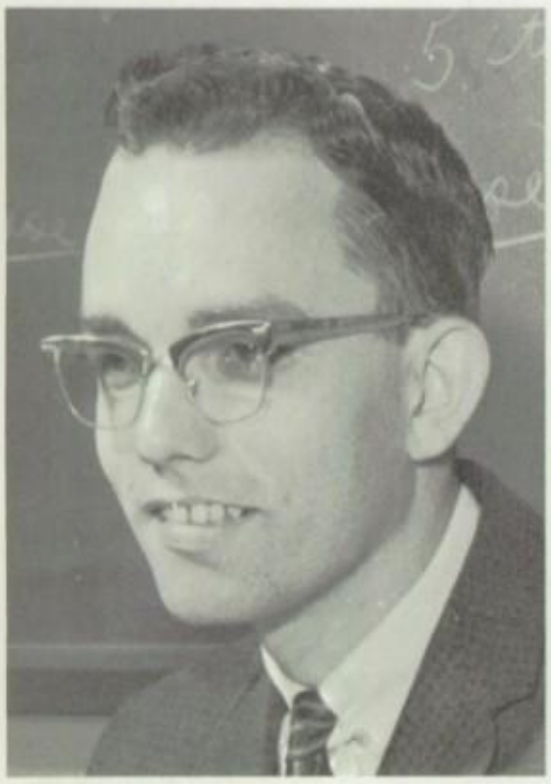
MR. CHARLES BURNER



MR. GEORGE HYRMER

MRS. RUTH KEMPSHALL

MR. JOHN EVANS



MR. JAMES LANIER

MR. WILLIAM DODSON

MRS. LILLIAN GOSSETT

MR. HYRMER, our new first year algebra teacher comes to us from Cleveland. He graduated from Ohio State and resides in Columbus. Besides handling six algebra classes, Mr. Hyrmer enjoys his favorite sport, wrestling. He recently acquired an interest in addition to sports—his new wife.

MR. LANIER is Westerville's new first year Spanish instructor. He was born in Woodsfield, Ohio, where he played the baritone in the local high school band. At O.S.U., where he received a B.S. in Education, he was a member of "Circle K," a college level Kiwanis Club. Presently, he takes an avid interest in church's activities and the recent addition to his family, a baby boy.

MRS. KEMPSHALL has the difficult task of guiding unwary students through the intricate entanglement of Latin declensions and conjugations. The bright spot in the year, however, is the Latin banquet in May when the Latinists have a chance to "do as the Romans did." Mrs. Kempshall also advised the Junior Red Cross, plays bridge, and attends a class at Otterbein on Digital Computers Programming.

MR. DODSON, a new member of the Westerville High faculty, is a native of Columbus, graduate of Otterbein, and presently tutor to economics minded W.H.S. students. His interests include history, basketball, and bowling. Although a bachelor, he is reported to have commented, "still looking."

MR. EVANS enjoys teaching general science at W.H.S. because he thinks the students are co-operative. Although he likes reading and playing golf, coaching fills most of his spare time. Because he feels further education is extremely important in life today, Mr. Evans hopes to encourage students to go on to college.

MRS. GOSSETT is a graduate of three well known colleges and a teacher of 30 years experience. She is presently teaching Ohio History and acting as Dean of Girls. An avid traveler, she visited Europe in 1960 and 1963; Mexico in 1962; and as advisor of the Travel Club, she accompanied a group of students to Nassau in 1961. Her next destination is Canada.

MR. JOHN DAVIS

MISS MARCIA COLLINS

MRS. MARY COCHRAN

MR. PHILIP DETAMORE

MRS. GRETA CALDWELL

MR. D. L. DECENZO

MR. DAVIS operates on the theory that students are people, and if they are treated as such everyone will be happy. His problems arise when very creative Chemistry and General Science students invent unorthodox experiments with disastrous results. In his spare time he dispatches police and fire vehicles and evaluates his students ability to analyze substance, predict compounds and pull taffy.

MRS. COCHRAN proves wrong anyone who believes that English teachers lead dull lives. Among other things, she has traveled the perilous road of rearing a son. A sports car enthusiast, she owns a Corvette and likes to attend races on weekends. She insists she thoroughly enjoys the job of disciplining the "green" freshmen.

MRS. CALDWELL serves as the advisor for the Girls' Athletic Association as an extension of her job as Girls' Physical Education teacher. This year she has been planning to expand the club's program to meet the needs of each individual member. Mrs. Caldwell, a former majorette and active sports enthusiast, considers her trip to Europe a wonderful, memorable experience.

MISS COLLINS teaches freshman and sophomore English as a result of her great interest in youngsters. She has worked as a camp counselor and a swimming instructor during the summer months, which further indicates the enjoyment she derives from her work with youth. She especially finds pleasure in observing the progress of the students she has for a second year. In her spare time she plays tennis and swims.

MR. DETAMORE enjoys coaching freshman basketball and teaching biology to W.H.S. students. His interest was spurred for satisfaction from almost every kind of extra-curricular activity from tennis to mechanics. Even with all his school activities and his busy family life, Mr. Detamore has found time to enroll in Ohio State on a doctoral program.

MR. DECENZO, a veteran of many campaigns at W.H.S., again shoulders his burden of trying to instruct uncoordinated freshmen the art of mechanical drawing. Also the varsity football and golf coach. Mr. DeCenzo attains a certain satisfaction from coaching young men and helping them to become better adults for the future. He resides in Westerville with his lovely wife and their five children.

MRS. RENEE HAAS

MR. HARRY LACY

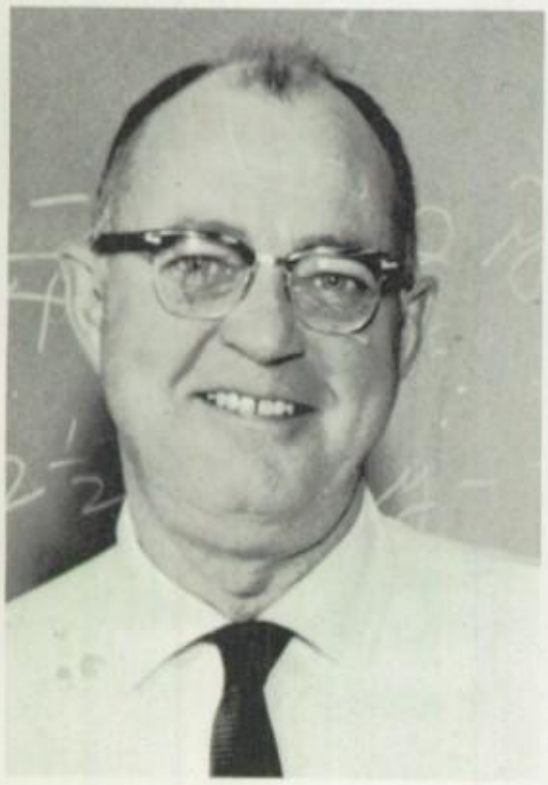
MRS. HAAS, freshman and junior English teacher, feels that a teacher must like students. As a result of this philosophy, her students like her. After a hard day's work, she returns to her husband William and her Russian speaking cat Dostoevsky. Her hobbies include acting in summer plays, cooking French food, and eating in Chinese restaurants.

MR. LACY, a graduate of Otterbein, helps struggling students understand the intricacies of Algebra I,II, and geometry. Those who are confused find him willing to answer questions with more detailed explanations, Mr. Lacy, his wife, and two daughters live in Westerville, a town he finds "nicer than any other."

MR. METCALF tries to help his algebra and geometry students develop the ability to reason. A very wide range of experiences makes his background quite different from the run-of-the-mill teacher. He worked his way through Wittenberg in a bakery. He manages Glengarry Pool and before he started teaching at W.H.S. six years ago, Mr. Metcalf was in the produce business.

MR. FARTHING comes to W.H.S. after serving four years in the Air Force, earning a B.S. in education from Otterbein, and teaching in Carroll, Ohio. As American government teacher, he instructs seniors in the fundamentals of our government and the meaning of current events. Besides history, he enjoys music, bowling, winter sports, reading, and his family. His pet peeve is one common to almost everyone—lack of time.

MRS. LEDMAN, now in her sixth year of teaching Business subjects and her second year of teaching typing at W.H.S. finds that she appreciates the high calibre of students, efficient staff, and good facilities found here. Her happiness is the student who types eighty words per minute. Although her family comes first, golf and bridge are Mrs. Ledman's favorite interests.



MR. C. E. METCALF

Mr. Metcalf is active in after school activities.

Mr. Farthing demonstrates "gorilla" warfare for his government class.

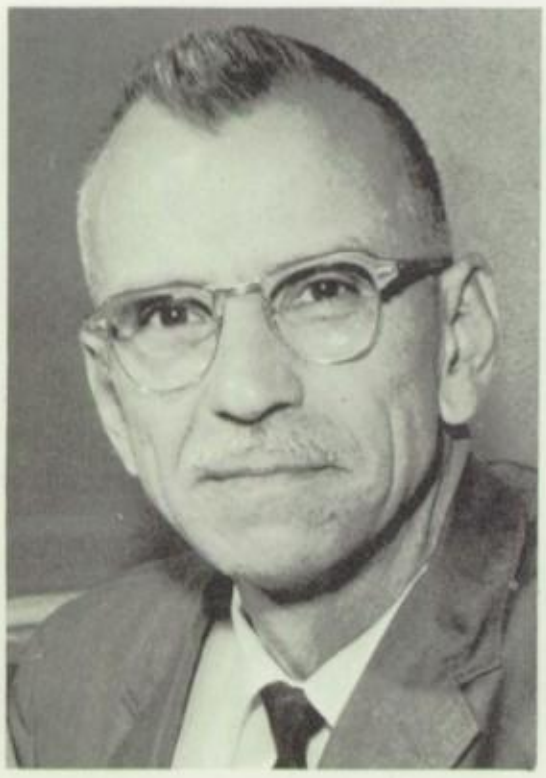
MR. EARL FARTHING

MRS. PATRICIA LEDMAN

MR. ROBBIE MILLER

MR. GLENN GRIFFITH

MRS. NANCY NEAR



MR. DALTON LOTZ

MRS. MARTHA MacKENZIE

MR. DONALD McMEEKIN

MR. MILLER makes American Government seem easier to seniors by adding discussions on such topics as movie censorship and prohibition to the study of past and current events. He was born in Marion, Ohio, probably that town's biggest contribution since Warren G. While attending Marion-Harding High School, Mr. Miller was active in the band and played center for the basketball team.

MR. LOTZ employs his four years abroad to enrich his teaching of the French language. As any French student will tell you, there is never a dull moment from the first "bonjour classe" to the last "pour demain." To Mr. Lotz's dismay however, speech that cannot be heard seems to be a prevalent ailment among his pupils. Besides teaching French, he enjoys music and the Great Outdoors.

MR. GRIFFITH is the capable advisor to Westerville's Future Farmers of America, who know him as their Vo. Ag. instructor. He lists traveling as a main interest, as well as tending his farm, where he "practices what he preaches." The wrestling team has found him an invaluable asset as a referee for the past two seasons. He, himself, wrestled on O.S.U.'s varsity team, where he learned what he now passes on to our team.

MRS. MACKENZIE, a new member of the Westerville High faculty has the privilege of presenting American and English literature to her freshman and sophomore students. She graduated from O.S.U. last June and married just before school opened. She and her husband, who is attending O.S.U., live in Westerville. Mrs. Mackenzie likes to read and play the piano.

MRS. NEAR derives a great deal of satisfaction from teaching Spanish I, II, and III. The newly initiated third year class is a special joy to her. She shares with her students the knowledge of Spanish-speaking people that she gained while studying abroad. Mrs. Near employs her wide range of experience, as well as her youth, in advising the Y-Teens, cheerleaders, sophomore class, and cheering block.

MR. McMEEKIN graduated from Ohio State twice, first in Industrial Designing and later in Education, spending a total of almost six years there. In addition to teaching beginning and advanced art at W.H.S., he works at Industrial Ceramics on Saturdays. Reviewing the Columbus schools where he has done student teaching, Mr. McMeekin things Westerville students are some of the best with whom he has worked.

MR. NEVEL, the new general business teacher at WH.S., has ample experience to teach this course since he was a businessman himself for five years. He is a do-it-yourself man who is interested in real estate, basketball, and music, particularly the accordian. He employs his salesmanship abilities by selling ball point pens whenever he has the chance.

MR. RYAN proves to the students venturing into the foreboding world of physics that this subject can be rewarding and lots of fun. The mystery of the frilly dress in the supply room and his adventures with his faithful truck add that "certain something" to a course which by itself is challenging and interesting. Reading, hunting, going to auctions, and seeing his family, fill his spare time.

MR. NOCKS is one of the "unsung heroes" on the W.H.S. faculty. Always backstage helping, he rarely receives credit for his long hours. He teaches speech and dramatics and spends most of his free time working to make Thespians' productions a success. His chance for glory came this fall when he sang with a group in Carnegie Hall. In summer, water skiing gives him a rest from his school duties.

MRS. OTT, Head of the Social Studies department, recreates history for lucky sophomores through tales of "drafty old castles" and the many loves of Henry VIII. As advisor to F.T.A., she acquaints young prospects with the advantages of the teaching profession. Though she has traveled to several countries, she and her husband Don have settled in Westerville making frequent trips back to North Carolina, her home state.

MR. RONALD NOCKS

MRS. SARAH OTT

Even teachers study.

MR. ROBERT NEVEL

MR. RICHARD RYAN

MR. RALSTON, a graduate of Kenton H.S. and O.S.U. with a B.S. and M.A. is finishing his 13th year at W.H.S. His present duties include teaching chemistry, advising the Bi-Phy-Chem Club, and serving as head of the science department. Deciding in the seventh grade to become a teacher and returning from the war alive were significant events in his life. He believes a life in teaching is a good way to help American youth.

MRS. RAVER, who has the responsibility of teaching world history to the sophomores, is a native of Circleville, Ohio. She attended North High School, where she was active in a number of school organizations, and received her B.A. degree at Otterbein College in history and Spanish. Two years ago she spent twelve months in Italy and ever since that time her major interest has been traveling.

MR. J. WILLIAM SADLER

MISS ELIZABETH PASSMORE

MR. ROBERT SHADE

MRS. LUCY RAVER

MR. JOSEPH RALSTON

MRS. BERNICE RUCKER

MRS. RUCKER, in her first year of teaching, is already a popular instructor of Typing II and office practice at W.H.S. She was born in Ellis, Kansas, and graduated from that high school. She received a B.S. in education at O.S.U. The proud mother of four children, she has twin boys, who attend W.H.S. Among her many hobbies are bridge, bowling, boating and traveling.

MR. SADLER teaches Driver's Education and Phys. Ed. at W.H.S. He is also attending O.S.U. in the evening to obtain his master's degree. After school he spends his time coaching varsity basketball and baseball. During the winter his main philosophy is "put the ball in the hoop, darn it."

MISS PASSMORE, our school librarian, keeps her domain as a haven for studying and reading. The highlights of the year are the book fairs in the fall and spring. Her advice is that students should learn to take advice, not give it. She plans to retire before she is too old to enjoy traveling, her special interest.

MR. SHADE recreates the exciting events of American history for W.H.S. juniors. He also is the assistant baseball and football coach. Besides sports, he enjoys his extensive record collection. Mr. Shade will remain a confirmed bachelor only until "a good looking woman with a million dollars comes along."

MRS. LAURA TOBIAS

Foul is fair, and fair is foul . . .

MR. DALE STARR

MRS. WILLIAMS, in addition to teaching general math, has her hands full trying to keep the students "in line" in the cafeteria during lunch period. When she isn't caring for her three daughters, Mrs. Williams likes to play bridge and travel. She would like to see more social functions for the students at W.H.S. and more unity within the separate classes.

MR. STARR teaches biology to eager sophomore learners. He attended Beaver Local High School where he was a four-year letter winner in basketball and trumpet player in the school band. His degrees include a B.A. in biology from Harding College and an M.S. from Ohio State. As a favorite pastime, Mr. Starr indulges in collecting old school books, an unusual but interesting hobby.

MRS. ANN WILLIAMS

MR. SHORT'S room 248 at W.H.S. may look like a child's paradise, with plastic "toys", dice, balls, and sticks; but in the hands of the veteran teacher these toys come to life revealing the mysteries of mathematics. Mr. Short, former Otterbein fullback, thinks a teacher should try to be fair, provide just the right amout of work, and enjoy his students. He also enjoys gardening, reading, and "triple dips."

MRS. TOBIAS, one of the best known faculty members at W.H.S. has been at the new high school since its "birth" four years ago. Though at one time she seriously considered an acting career, Mrs. Tobias now teaches senior English and is the Head of the English department. Seniors are grateful for her rigorous discipline in preparation for college.

MR. ROBERT SHORT

MR. MAX SHEETS

MISS NANCY STAATS

MR. FRANK STALLINGS

MR. SHEETS, our new general Science teacher, came here from Mt. Sterling, Ohio. Since he was captain of the baseball and basketball team at high school and played intramural basketball at O.S.U., he was a logical choice for the faculty basketball team in its game against the Harlem Satellites. Mr. Sheets lives in Westerville with his wife and new son. His favorite hobbies are guns and hunting.

MISS STAATS, a newcomer to W.H.S. this year, hails from the Bronx in New York, where she graduated from Walton High School and later attended one year at Hunter College. After graduating from Otterbein College, she came to W.H.S. full of vigor and fresh ideas for the fortunate juniors and seniors in her classes. She believes a teacher must take an active interest in her students, be intelligent, and most important, work hard.

MRS. MARILYN WAGNER

MR. MARSHALL TURLEY

MRS. WAGNER has been a familiar figure in the home economics department of W.H.S. for several years, and has helped many future homemakers through their first attempt at boiling water and sewing a straight seam. A true outdoors lover, she enjoys hiking, camping, and traveling. Future home ec. students beware—her pet peeve is, "I forgot . . . May I go to my locker."

MR. STALLINGS, the only male member of the English department, presents English grammar and world literature to reluctant sophomores in a unique way. As Club advisor and sponsor of Hi-Y basketball, he is able to extend his work with students into his free time. His wife and two sons keep him happy and busy, but he still finds time for reading, sports, drama and music.

MR. TURLEY is one of the busiest men around W.H.S. Besides directing Concert Choir, Choralettes, Sportsmen, and four ensembles, he directs the Motorists Mutual Insurance Co. Choir, Presbyterian Church Choir, the Junior High glee clubs, and teaches general music. In his spare time he bowls, reads and plays golf. Oh, by the way, he announces the football and basketball games.

Led by George Bailey, the W.H.S. custodians, Bus Stockdale, Clark Bailey, Bernard Keefer, Stanley Mason, and Franklin Crowe work around the clock to keep the building clean and comfortable. Although gum in the drinking fountains and pennies in the disposal units add to their work, they keep cheery faces.

1st ROW: Mr. Keefer, Mr. Crowe, Mr. C. Bailey, *2nd ROW:* Mr. Stockdale, Mr. G. Bailey, Mr. Stanley Mason.

MR. GLENN DAY

GLENN DAY, a former W.H.S. student, is the man in charge of keeping the Westerville schools comfortable, heated, supplied, and accessible. He also heads the summer maintenance crew. During the winter, at times, he is called upon to do "strange" things such as climbing a ladder up the water tower for a real imaginative annual editor.

1st ROW: Mrs. Pat Noble, Mrs. Ann Watkinson, Mrs. Letha Dill, Mrs. Elsie Arrowsmith, *2nd ROW:* Mrs. Harriet Sanford, Mrs. Evelyn Dawley, Mrs. Ruth Trout, Mrs. Charlotte Stetler, *3rd ROW:* Mrs. Lillian Porter, Mrs. Esther Limbach, Mrs. Ann Bloomfield, Mrs. Florence Turney. NOT PICTURED: Mrs. Mary Vance.

MRS. DAVISON, Cafeteria Supervisor, is responsible for the preparation of the lunch menus for W.H.S. It is under her expert supervision that the hard-working "cafeteria ladies" prepare and serve daily lunches to the students and faculty.

HAPPINESS IS A TASSEL

IN YOUR EYE

Here we are, Westerville's pride and joy, the senior class of 1964. We don't claim to be the best class that has ever walked through the halls of old W.H.S., but we do think we are the greatest. Yes, we're these big seniors, who everyone thinks get away with everything. It seems we thought that once. We have a regular riot, so says the faculty. But just as any other students we have those report cards, classes, and permanent record files. So you see we can't be as wild as everyone thinks. As a wise old saying to the upcoming classes, "Don't count your riots before they're incited.

JUNIOR CLASS OFFICERS: Carolyn O'Keef—Social Chairman, Linda Myers—Vice President, John Jennings—President, Shirley Schneider—Secretary Treasurer.

HAPPINESS IS BEING AN UPPERCLASSMAN

Clutching their car keys in their hot little hands, the juniors storm into W.H.S. to face the trials and tribulations of American History. They also take other subjects, such as how to speed shift, double clutch, and park. W.H.S. juniors, however, are in school for very important reasons. They seek knowledge, class rings, and a date for the Junior-Senior Prom. These juniors work hard, think hard, and play hard to prepare for their initiation into the Royal Order of Seniors.

HAPPINESS IS BELONGING

AND BEING NEEDED

Sophomore Class Officers: Carolyn Anglin, Social Chairman; Jim Scarfpin, President; Sandy Turner, Vice President; Mary Jo Arnett, Secretary-Treasurer.

Sophomores are probably the most improved class from the previous year. This is the year that the boys get to display their heroism on the varsity grid field and work to achieve a medal of honor—a letter. The girls feel that it's just about time they start paying attention to their masculine admirers. Their confidence bolstered by a gorgeous red and white "W," the boys feel they have finally become of age and become more venturesome in associating with their feminine fancies. The sophomore year is a big year in the life of a high school student as it is the first time that participation in clubs and organizations is allowed.

Freshman Class Officers: Steve Jennings, President: Rob Coad, Vice President; *STANDING*—Barbie Sheridan, Secretary-Treasurer; Sue Crane, Social Chairman.

HAPPINESS IS STARTING A NEW WAY OF LIFE

Promotion from a lowly insignificant eighth-grader to a sophisticated freshman always proves to be an exciting adventure for each of our most under underclassmen. It's the time when the boys find out that girls are the sex they're opposite from. The girls discover that it takes more than boyfriend on the football team to become a cheerleader. After the first day of school, all of these young "sophisticated" freshmen begin to realize the inferiority of their class and soon begin to receive the constant criticism from their superiors.

MAKE A LOT OF MUSIC

Marching Band

The Westerville wildcat Marching "99" steps off down the field playing their fight song, "Stand Up and Cheer." But it took many weeks of preparation for that first big game. There were the long, hot summer days of practice. Remember those poor freshmen who couldn't seem to master both the art of marching 8 x 5 and playing their music at the same time? Then there were the moans and groans of tryouts when every player had to demonstrate his musical skills for Mr. "B." But the hard work and long hours finally paid off. The Marching "99" performed at the half time of all of the football games and marched in many parades. At the Halloween Parade, even the heavy rain did not keep the band from marching. Of course, Carolyn O'Keefe will never forget the time when she was marching down the field, and it dawned on her that she had left her flute at home. Then there are demeritshy players like Carol Salter who make running dives to get over the fence before being counted tardy for practice. Unfortunately, her trumpet did not survive the plunge and ended up in two separate pieces. Probably, the best memories are of the "bus rides." For the seniors, on their own special bus, memories will be of Toby Pearson with his ukelele, the jokes, the stories, and the tentative plans for the Senior Class Party. Everybody will remember the handchecks at railroad crossings and the fight songs that filled the air. The band members, however, will remember longest the discipline, leadership, and enthusiasm of their director, Mr. Becker.

Concert Bands and Orchestra

The Red and White Concert Bands, directed by Mr. Forrest Becker, provide W.H.S. students with the opportunity to develop musical skills and appreciation. The Red Band performed at the Variety Show, and both bands participated in the Annual Spring Concert. Besides performing concerts for the enjoyment of the Westerville area, the Red Band also competes at District Contest. Three pep bands, each led by Margaret Wenzel, John Goldsmith, or Mike Biddle, play at basketball games and pep rallies. Other activities of the bands include the annual candy bar sale to raise money for instruments and uniforms, the Kiwanis Christmas newspaper sale for community projects, and the Booster membership drive.

The school Orchestra, also under the direction of Mr. Becker, perform for Commencement, Spring Concert, plays, assemblies, and musicals. Orchestra members are also eligible to play in the Columbus Youth Symphony and the Regional Orchestra sponsored by the OMEA. They study classical music and composers, improve their own playing, and learn to appreciate all phases of music.

Girls' Glee Club is an organization open to any freshman girl. Its purpose is to enable girls who enjoy singing to participate in music activities. The officers include Cheryl Coffield, president; Barbara MacKenzie, social chairman; and Wendi Ernsberger, vice-president. With the other vocal music groups, they perform at the Easter Program and the annual Spring Concert. Although Mr. Turley is their director, for approximately three months Girls' Glee had the pleasure of being directed by Mr. Culver, a student teacher from Ohio State University.

Choir Takes Honors at District Contest

Entertaining the student body at the Thanksgiving and Christmas assemblies and parents and friends at the Christmas Program was the Concert Choir, directed by Marshall Turley. The intent of Choir is to acquaint students with a wide variety of music. Those eligible are any sophomore, junior, or senior who is capable and has the desire to participate. The members are selected only by an audition with the instructor. The biggest project Choir undertook was the Vocal Music Hootenanny. The officers are Toby Pearson, president; Jennifer Jacober, vice-president; Linda Myers, secretary-treasurer; Jim Runkle, publicity chairman; Melody Petrie and Diana Yates, Librarians; and Linda Demorest and Shirley Gill, accompanists. The members were delighted at the purchase of new robes, which they wore while competing in the District Contest and State Contest.

SPORTSMEN

For most high school students school begins at 8:45; but two days a week, classes begin at 8:00 for the W.H.S. Sportsmen. This group, directed by Marshall Turley, is composed of all boys who wish to join, try out, and qualify. This year the boys sang for the Wives of American Engineers at the Christopher Inn and for the Annual Christmas concert of the W.H.S. Vocal Music Department. The group received a superior rating at District Contest and are hoping to do as well at State Contest.

JUNIOR-SENIOR ENSEMBLE

FRONT: Linda Yeager, Sharon Malone, Shari Bumgarner. *SECOND:* Sharlee Doyle, Sandy Weidinger, Lois Rockney. *BACK:* Aimee Ericson, Sandy Roby, Margaret Wenzel, Nancy Vorse.

ENSEMBLES

In the fall of every year, tryouts are held for the Freshman-sophomore and the Junior-Senior Ensembles. Each group is composed of nine girls. The girls that are chosen meet with Mr. Turley and their accompanists one morning a week at eight o'clock to rehearse for special appearances and for their performances in the annual music programs. As an extra incentive, both Ensembles plan to go to the district contest this year which is held at Capital University.

MR. TURLEY'S GROUPS ARE TOPS

Wendy Ernsburger, Starr Bowen, Marilyn Whipkey, Susie Rodeheffer, Barbara McCalla, Carol MacKenzie, Ann Habbegar, Debbie Cornelius, Janet Raver, Bonnie Barrows.

This year the Choralettes, one of the best sounding and definitely the best looking of all the vocal music groups, vetoed their traditional pastel sweaters and black skirts and donned new uniforms—blue jumpers and white blouses. Now that they have changed their appearance, they continue to better their already excellent musical quality. Besides preparing for the annual programs, the girls work on the three selections for District Contest, where they received straight I's.

'63 CATS LOOK UP TO IMPROVED SEASON

This year's Wildcat gridders, coached by Nick DeCenzo and ably assisted by Mr. Charles Burner, Mr. Robert Fowler, and Mr. Walter Bahorek, turned in the finest performances in recent years. The tri-captains, Chuck Blackburn, Doug Landis, and Jim Ogle, led the Cats to a third place finish displaying a 4—4—1 record. The high point of the season occurred at homecoming where Westerville battled unbeaten Groveport to a 14—14 tie.

Doug Landis, the league's leading scorer and ground gainer, received numerous post season honors. Among these are All Mid-Eight, All District, and Honorable Mention, All Ohio, plus he was picked to participate in the annual North-South game.

Westerville's third place finish earned them three berths on the All Mid-Eight squad. These were Seniors, Doug Landis and Jerry Ruyan, and Junior, Dave Talbott. Those receiving honorable mention were Chuck Blackburn, Brad Clapham, Carl Clipp, Dan Hall, and Marion O'Bryan.

With experienced lettermen returning at most of the positions, hopes are high for a fine season next year.

Much of the credit for the success of this year's pep rallies and the increased spirit at games should go to the three hard-working squads of cheerleaders. Led by captain, Jenny Barr and advised by Mrs. Near, the cheerleaders painted signs, planned pep rallies, and put in long hours of practice after school learning new cheers, in addition to leading the cheering at the games and pep "sessions."

Fall Homecoming Queen and Attendants

The 1963 Fall Homecoming game was undoubtedly the most exciting of the season. It was also a very crucial game, the deciding factor in the title race. Last year's queen, Charlene Krenek returned to crown Susie Meyer the 1963 Fall Homecoming Queen.

Queen Susie and her court, Jenny Barr and Chee Chee Purdie, senior attendants; Diana Longhenry and Sharon Stout, Junior attendants; Barbara McCalla, Sophomore attendant; and Susie Osborn, Freshman attendant, cheered our team to a 14 to 14 tie Mid-Eight champs, Groveport. Because this was the best showing that the team had made all year, high spirits prevailed at the dance following the game. The dance theme was based on the Autumn trend, with the music provided by the Tommy Dale Dance Band.

The 1963-64 Wildcat cagers did not fare as well as had been expected, however, they provided many exciting moments on the hardwood.

The Cats gave their fans a taste of their potential when they met for the second time London and Groveport. Both of these teams had been pre-season co-favorites to cop the Mid-Eight crown.

The tall and talented Red Raiders of London came to Westerville in the midst of a scramble for first place. Three hours later they headed back to London with a 63—59 setback that extinguished hopes for a league title.

The following night, the Wildcats traveled to Groveport to do battle with the league leading Cruisers. For three and one half quarters the Cats led the eventual league champs, only to be edged 66—61 in the final two minutes.

These two games and the encounter with District Champ, Grove City, in which the Wildcats were nipped 53—43, in the final quarter, were proof to all that the 1963-64 Westerville Wildcat hoopsters could match baskets with any team in the area.

The '63-'64 Wildcat basketball team was anchored by six seniors: Dick Wenzell, Chuck Blackburn, Doug Landis, Blair Steelman, Dan Hall, and Ward Perley.

One of the bright spots on this year's squad was the team's leading scorer and rebounder, Dick Wenzell, who, along with Chuck Blackburn and Dave Talbott received All-Mid-Eight recognition.

"Coach of the Year" Robert Fowler

"You boys must work hard and above all have desire and determination. You have never wrestled to your full potential. Tonight go out and show me that you really can go full out. Remember winners never quit; quitters never win."

With these words the hustling Wildcat Grapplers, under Head Coach, Robert Fowler, finished first in the Mid-Eight and second in the Central District overall team standings. Coach Fowler seemed never to be satisfied with the performance of the Wildcat Wrestling Machine, even though the polished grapplers destroyed all comers except one, as they were tripped up by Pleasant View early in the campaign. This year's team had many more matches on the road than at home. The team also finished high up in the standings on breaking down buses, as they collected two out of ten. A familiar sound was Fowler yelling at Valentine to keep the seats fastened down and in the bus, not strewn out along route three.

Coach Fowler had great praise for all the boys, especially the seniors. Even though these boys have been with Fowler for two years all would agree that without these boys' fine examples and their hard work, the season wouldn't have been nearly as successful. Fowler also had fine words for Chuck Burner, coach of the reserves, and his fine boys. The reserve matmen finished three and

one for the season and the team will definitely furnish the varsity with some fine and experienced wrestlers for future campaigns.

At the awards assembly Coach Fowler recognized Senior Co-Captain Jim Ogle for his fine leadership. Also recognized were Sr., Roger Rice, as the most improved wrestler, Dan Thomas and Sam Murphy as two hard luck wrestlers, Ron Valentine as the man—who always seems to pull the matches out of the fire. Mike McCalla was acknowledged with Jr. Co-Captain, Jim Edwards for their combined ability to always be in some kind of trouble with someone.

After presenting the Mid-Eight and Westerville Invitational Trophies to Athletic Director, Mr. Gary, the co-captains revealed a plaque for Mr. Fowler which named him the Wrestlers' Coach of the year. Mr. Fowler and Mr. Burner were also invited to the traditional Appreciation Dinner at the close of the season.

The Westerville High School Baseball Team coached by Mr. William Sadler and assisted by Mr. Robert Shade won sixteen of their last nineteen games and twelve straight in the Mid-Eight league before losing a final day doubleheader to Grove City.

The Wildcats started the season off poorly by losing their first five games, but lost only to Hartley, Grove City (in the tournament) and Franklin Heights before losing the final two to Grove City in the middle section of their always tough schedule.

Highlights of the Season:
(at Gahanna) Ernie Ernsberger pitched the first no-hitter of recent years against the Blue Lions of Gahanna.

(Maryville) "Lefty" Dick Wenzell pitched a nine inning no-hitter only to have the Monarchs gather two hits in the tenth. The tall lefthander struck out twenty-five, certainly some record. The Wildcats went on to win the game 3—2.

(at Hilliard) The high flying Wildcats recorded wins, eleven and twelve against Hilliard as Dick Wenzell and Ernie Ernsberger pitched back to back shutouts.

(Grove City) The Wildcats had cinched a tie for the title a week before and only needed to win one game from the Greyhounds to win the title outright, but fate struck and the mighty Wildcats bit the dust twice and had to settle for a tie with the Greyhounds. Westerville finished 12—2 in the league and 16—10 overall.

Pitcher Dick Wenzell and Catcher Chuck Blackburn were selected to the All Mid-Eight first team while Shortstop Roger Harney and Right Fielder Bert Wolfe were named to the second team and Ernie Ernsberger received Honorable Mention.

Dick Wenzell led the team in hitting with a .371 average and also led the Mid-Eight with a .514 average. Ernie Ernsberger led the pitchers with a 7—2 record while Ernie and Dick Wenzell both were 6—1 in the Mid Eight League.

Coach Fowler and the four bears.

The 1963 Wildcat Track Squad enjoyed a very successful season under the fine coaching of Mr. Robert Fowler who was assisted by Mr. Detamore. For the first time in several years, the team brought home trophies from some of the larger meets.

The four juniors on the 880 relay team led the squad in scoring, with Mike McCalla scoring the highest total for the year. This feat earned him the Gold Track Shoe award.

The track team worked hard, but they also had a lot of fun. Not many of the fellows will soon forget the impromptu jam session held in Canal Winchester's gymnasium using the bottom of a couple of old garbage cans. Boy, did that lady ever have a funny look on her face when she walked in.

And, of course, there was the time Mr. Davis had to buy four steak dinners. It seems that a couple of the boys on the relay team talked him into a little wager concerning the 880 relay record. Those steaks were delicious. Thank you, Mr. Davis. Now, about the mile relay record in '64 . . .

Bill Coad wins the half.

Dan Bunce wins the mile.

MID-EIGHT CO-CHAMPS

At W.H.S., happiness is a Mid-Eight Track Championship, and after a drought that lasted through the history of the school, we finally got a winner. The secret to success—a great coach, Bob Fowler, who had the able help of coaches Evans and Burner, and a lot of hard work.

At the Mid-Eight meet, Westerville ran and jumped to six first places as opposed to one for co-champ Gahanna. The outstanding performer of the meet, as usual, was co-captain Mike McCalla. His victories in the 100,220, and 440 yard dashes were the deciding factors in the victory. Other first places went to Sam Murphy, 120 high hurdles, Doug Landis, high jump, and the 880 relay team, L. B. Williams, Larry Bailey, Marion O'Bryan, and Dan Thomas.

The team worked very hard this year, and it is doubtful that the members will soon forget the calisthenics, notably the 80 push-ups done frequently and precisely by co-captains Mike McCalla and Dan Thomas. They won't forget the fun either. No, the hill climbs, house raids, picnics, and singing on the buses will not soon be forgotten. It can be safely said that no track team in the Mid-Eight worked harder, or had more fun doing it than Westerville Mid-Eight Co-Champion team.

There have been many records broken during the last three years that this year's seniors have been competing. This year was no exception.

This year at the Lancaster Invitational an unusual event was run. It was the 676 ⅔ yard hill climb, woods run, house raid, and retreat. Westerville, as might be expected, swept the event with Mike McCalla, Dan Thomas, Lorenzo Williams, Marion O'Bryan, Blair Steelman, Sam Murphy, Doug Landis, Roger Rice, and Jim Falkenberg coming in 1,2, 3,4,5,6,7,8,9. These, coincidentally were the nine senior lettermen on the team. We might add that All nine broke the existing record held by Robert Fowler of Okeefenookee High in 1948, with Mike McCalla's 1:30.7 being entered into the record book.

MID-8 CHAMPS

The 1963 golf season, coached by Nick Decenzo, was the finest in the glorious golf history of Westerville. Not only did they set a new all time record for the Mid-Eight, but we scorched out another great finish in the Central-Ohio District and we were thus enabled to go to the State-Finals.

The members of this year's golf team were the greatest of a long line of Westerville swingers. Led by seniors Jack Meyer, Richard Frohlich, Larry Thomas, and junior John Corbett, they outscored their unfortunate opponents 113½ to 38½. Jack Meyer and Richard Frohlich are without a doubt the two best golfers that have played for Westerville, their record is proof positive. Larry Thomas, although unable to play in some matches, proved his ability in many matches. The only returning man of the starting four is the consistent young performer John Corbett.

Jim Stevens, the only senior able to make the squad, along with Chris Newell and Danny Shaffer were the only other boys to see action on the varsity squad. Next year's team will have to work extremely hard to out-do this past year, however the potential is there and coach Nick DeCenzo hopes to bring it out.

Team

This year, as in years past, Westerville High School had an outstanding golf team. Senior linksmen John Corbett and Chris Newell and Juniors Larry McIntyre and Ralph Santilli combined scores to make up an extremely well balanced squad.

The story was basically the same as team after team went down to defeat at the hands of our golf team. On May 4th in a match with Mifflin, the first four Wildcat Linksmen all fired in the thirties. Then the day came when Westerville was to match strokes with unbeaten Whetstone. When all the scores were in the result was an eight to eight tie.

Friday May 8th, the Mid-Eight championship which Westerville has won four of the last five years, but this year the record changed. Westerville was edged from first place and the trophy by but *one* unforgettable stroke. The official score was Marysville 339 total, Westerville 340 total.

The Wildcat Golf team was fourth in the District again by one stroke, which lost their chances for getting into the State tournament. Scores shot in the District were Ralph Santilli, 77, Chris Newell, 78, Larry McIntyre, 78, and John Corbett, 80.

The season was appropriately ended when the Wildcats defeated Worthington to regain the Minerva Lake Trophy. This Wildcat surge was led by John Corbett who fired a one over par 73.

Other members of this year's team were Mickey Thomas, Dan Shaffer and Mike Rhodebeck.

Final record—dual matches, 14 wins, 1 tie, no losses.

COUNCIL SPONSORS "CAR SAFETY CHECK"

The Westerville High School Student Council is composed of the four class officers and four elected representatives from each class. Officers of the 1963-1964 Student Council are John Corbett, President; Gary Neuberger, Vice-President; Eileen Coad, Treasurer; Paul Bokros, Parliamentarian; Linda Myers, Assistant Secretary; Sharon Stout, Secretary. Advisors to the organization are Mr. Gary and Mr. Birckbichler.

The Student Council is a channel through which the student body expresses its opinions on school affairs. It has been established to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Westerville High.

The Student Council is responsible for the planning of special assemblies and the Homecoming programs. Two projects completed by the Student Council were the organization of a school newspaper and the publication of a student handbook. This year the Student Council also incorporated a plan for encouraging school spirit at Westerville High School. This program stimulates game attendance and spirit at the pep-rallies.

NATIONAL HONOR SOCIETY

The National Honor Society, in its second year of existence at Westerville High School, was organized by the Student Council to acknowledge students who have achieved a commendable point of development during their high school years.

Members are chosen by the faculty from students in the Junior and Senior classes. As stated on the plaque which is presented to each Honor Society member, "membership . . . is based on scholarship, leadership, service, and character."

New members inducted by the National Honor Society in May 1964 were:

This year's F.F.A. has contributed to the welfare of both the school and community. Under the watchful eyes of advisor, Mr. G. H. Griffith, boys enrolled in Vocational Agriculture have a chance to wear the famous blue and gold jacket. The goals of the organization are molded into their motto: "Learning to do, Doing to learn, Earning to live, Living to serve." This year the more than fifty members took part in numerous activities, among which were: a contribution to the Christian Rural Overseas Program, a pest hunt, public speaking, and the chicken barbeque at the Westerville Fair. Crowning Miss Julie Scott F.F.A. Queen proved to be the highlight of the annual parent and son banquet. Every two years the boys in the chapter take a trip. This year they plan to visit Disneyland, the Grand Canyon, and will even venture into Mexico. The F.F.A. wants to thank everyone for his cooperation in helping make the chapter a good one and to wish the best of luck to the class of '64.

THESPIANS

The Thespians Club has many activities for achieving its purpose to stimulate interest in Dramatic-Arts. The club's production of *The Lottery,* which was presented to the junior English classes last year, received an excellent rating in district competition. Some members went to New York City to see some legitimate theater.

This year the Thespians attended dress rehearsals for several plays at Otterbein, planned the programs for the Homecoming Assemblies, and cast and produced three one act plays: a comedy, a tragedy, and a mystery. 8he advisor to the club is Mr. Nocks.

DEBATE CLUB

Under the supervision of Mr. Nocks and Mr. Birckbichler, the Debate Club provides a forum for the discussion of ideas and an opportunity to learn the essentials of the art of debating. Membership is open to any interested sophomore, junior or senior. Activities of the club include preparing to debate with other schools, working on money-making projects, and planning to present a live debate before the student body. Under the leadership of Nancy Holderman, President; Skip Osborn, Vice President; Elaine LeCrone, Secretary; Cathy Wildman, Treasurer; and Gary Lust, Debate Controller, the club members learn a formal way to present arguments.

SEARCHLIGHT STAFF

Janet Miner, Copy Editor Dan Thomas, Sports Editor Chee Chee Purdie, Senior Write-ups.

Where's Johnny? Count those characters. Who're the officers of F.T.A.? Where's Johnny? Ron, will you please quit flashing that camera in my face? Where's Johnny? These and similar sounds may be heard reverberating from the annual room in 200 B. It takes a lot of effort and cooperation to make a yearbook. The products of the various staffs are compiled and organized into the 1964 Searchlight. Janet Miner efficiently edits the copy and counts characters. The photographers, Ron Crouch, Jeff Brown, and Carol Salter, take candids of classes, clubs, sports, and social events. Susie Meyer, the Assistant Editor, matches names with faces in the pictures. She also organizes the index, a new feature of the WHS Searchlight. The artistic details of the yearbook are handled by Jim Runkle and Chris Newell. Dan Thomas, Sports Editor, has the responsibility for the sports pages. The write-ups for the seniors are ingeniously conceived by Chee Chee Purdie and her staff. The typing staff, headed by Charlotte Orthoefer, has the last minute job of transferring all written material to the final draft. In the finance department, Business Manager Carl Fry sells ads, Circulation Manager John Corbett distributes the annuals, and Treasurer Linda Wardlow keeps the records. The burden of coordinating all the scattered efforts of the staffs goes to the Editor John Goldsmith. He will tell you, however, that fulfilling a responsibility is a challenge with rewarding experiences.

OFFICE GIRLS

The student office girls help make the W.H.S. office the efficient headquarters it is. Being an office girl entails typing, answering the telephone, running errands, and delivering absentee lists. It is not all work, however, for Mrs. Hall and Miss Youmans can vouch for the mischief in which the girls become involved.

MR. STALLINGS NAMED "FRANKLIN COUNTY AREA HI-Y ADVISOR OF THE YEAR"

The W.H.S. Hi-Y group strives to create, maintain and extend throughout the home, school, and community high standards of Christian character. Under the able guidance of Mr. Frank Stallings, this group participated in National Hi-Y and Tri-Hi-Y conference in Northfield, Minnesota, County Citizenship Day in Columbus, the Youth in Government program, the Hi-Y officers and their advisor are trained at a weekend retreat at Camp Wilson. Those attending learn how to create and maintain clean speech, clean sportsmanship, clean scholarship and clean living. The county advisory board, of which Toby Pearson, club president, is a member, has planned many local activities. Candy sales, plus refreshment sales at basketball games help finance Hi-Y projects, Tenth, Eleventh, and twelfth grade boys who can meet the high standards of the Hi-Y are eligible to join.

AUDIO-VISUAL CREW

Completely renovated this year is the Audio-Visual Department. Mr. Ryan, the new head of the department, has taken inventory of all equipment and has organized it so that he knows where it is at all times. His crew now efficiently distributes and operates projectors, record players, and tape recorders.

LIBRARY ASSISTANTS

Being a library assistant involves more than just checking books in and out. These busy girls sign passes, take care of fines, shelve books, sell paperbacks, help underclassmen become acquainted with the "complex" domain of the library, and promote an atmosphere of quiet and study. Besides having an educational and interesting job, they see all the excitement when a noisy trouble-maker is thrown out of the library.

Post Scripts

Because the staff had to send many pages to press before the end of the school year, we are including here a list of April events.

1. Seniors attended their class banquet at the high school, where they ate a potluck dinner and listened to a satire of *The Scarlet Letter* and a musical class history. They then went to Winding Hollow Country Club for an evening of dancing.
2. Ellen Koski, Carolyn O'Keefe, and Melody Petrie were chosen to attend Buckeye Girls' State and Jim Edwards and John Jennings were selected for Buckeye Boys' State.
3. Dick Wenzell was elected King Drip at the Y-Teen Club's first April Showers Dance.
4. At Otterbein's Mock Republican Convention Westerville seniors staged a mass demonstration for Everett Dirksen, in spite of the fact the lights were out during most of the afternoon. The final nominees were Henry Cabot Lodge for President and William Scranton for Vice President.
5. W.H.S. athletes, cheerleaders, majorettes, and senior band members were honored at the Boosters' annual All-Sports Banquet.
6. Our Student Council helped in hosting the State-wide Student Council Convention.
7. Several members of the Hi-Y took part in the Mock Legislature in Columbus. Ron Lehman, Toby Pearson, Jim MacKenzie, and Bob Matz were among those participating.
8. At State Contest Band, Sportsmen, and Choir received I's and returned home rejoicing. The following Monday Mr. Becker was presented with the first "Golden Drumstick."
9. The senior English Honors Class presented scenes from *Merry Wives of Winsor, Julius Caesar,* and *A Midsummer Night's Dream* as part of their Shakespeare Festival.
10. The Latin Students attended the annual Latin Banquet and held a slave auction.

JR. RED CROSS

President:
Skip Osborn
Vice President:
Gary Calvert
Secretary:
Marilyn Whipkey
Treasurer:
Sandy Weidinger

The Junior Red Cross is a service organization for helping and serving the people and institutions in the Westerville area that need assistance. Led by President Skip Osborn and Advisor Mrs. Kempshall, the club planned several trips to the Blood Center and St. Anthony Hospital and participated in many worthwhile service projects, such as helping with the bloodmobile and the Cerebral Palsy Foundation. As a moneymaking project, the members sponsored a very successful dance after the Mifflin Basketball game.

FUTURE TEACHERS OF AMERICA

Since its beginning last year, the Future Teachers of America has developed into quite an active organization. It gives students in grades 10-12 with at least a C average a chance to work with children and teachers, learn of the opportunities in teaching, cultivate the qualities essential to a good teacher, and decide if teaching is the right career for them. Heading the list of F.T.A. activities this year was a trip to the Ohio State School for the Blind, money-making projects for the scholarship fund, printing a monthly bulletin, and helping teachers. President Jennifer Jacober and advisor Mrs. Ott kept things running smoothly.

The Future Business Leaders of America is designed particularly for those students who are interested in a business career. Any high school student is eligible. In charge of the club are Sandy Roby, President: Kay Moore, Vice-President: Barbara Claws on, Secretary: Pam Freda, Treasurer: Sue Miller, Program Chairman: Patsy Reams, Publicity Chairman: and Mrs. Bunce, advisor. This year the FBLA did several service projects for the school and community, worked on fund-rasing and promotional projects, and some members attended the State FBLA Convention which was held in Cincinnati in February.

The W Association has high requirements for membership. One must receive a varsity letter in one of six varsity sports, which means one must endure the thrills and hardships of varsity competition to become eligible. This year's activity calendar was crowded with events such as sponsoring dances, selling football and basketball programs, operating the refreshment stand at home basketball games, and selling folders and book covers. The W Association also bought new warm-up uniforms for the wrestling team this year. The advisors for the group are Mr. DeCenzo, Mr. Burner, Mr. Bahorek, and Mr. Fowler.

Arsmedica, the Medical Arts Club, was established in the spring of last year and is open to all high school students. Its purpose is to band together students who are interested in some type of medical career. The members learn about opportunities for service in the field of medicine. Activities of this group included tours through various hospitals. Mr. Starr serves the club as its advisor; Jim Acker, President; Susie Meyer, Vice-President; Sharlee Doyle, Secretary; and John Westervelt, Publicity, led the club through this first year.

The Bi-Phy-Chem Club spurs scientific interest among the sophomores, juniors, and seniors. Several activities highlighted the organization's successful year, including a trip to Battelle Memorial Institute in Columbus early in the fall. Climaxing the year was the annual Science Fair held in the spring. At the Fair, local talent displayed their projects and received awards for their efforts. Under the capable guidance of Mr. Ralston, the club passed many well-spent hours listening to speakers and participating in many fascinating activities.

WESKATS—Special Attraction at Halftime

For the 1963-1964 season forty Junior and Senior girls were selected as Weskats by Mrs. Carole Ogg, the Weskat director, and Miss Connie Bartow, her assistant. Captain Marilyn Slonaker and the rest of the drill team performed their carefully planned and practiced routines for the student body of Westerville High School during the half-times of home basketball games. Weskats gives more girls a chance to participate in extra-curricular activities and improves school spirit. Highlights of the season are the performance at Otterbein, Parents' Night, and the Alumni Banquet.

Y-Teens, by far the largest club at W.H.S., sponsors a well-rounded program that is both interesting and beneficial to its members. Before a girl can join, she must endure the tortures of initiation. One day she has to wear too much make-up; the next, none at all. She must suffer wearing a hair net and one of her father's shirts. In other words, she has to do something different every day to make herself hideous, plus whatever the older girls can dream up for her. The girls are then eligible to participate in all Y-Teen events, such as this year's city-wide hootenanny, car wash, spring dance, Taps project, and Public Affairs Conference. The biggest Y-Teen social event is the Holly Prom, an annual Christmas dance. As a World Fellowship project, the club continued to support an adopted Mexican girl through monthly contribution. The advisors who led Y-Teens through their jam-packed year were Mrs. Near, Mrs. Berry, and Mrs. Coyle, a representative from the Columbus Y.W.C.A.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association has developed a program to encourage interest and participation in girls' sports. Each year the club adds one sport to its list of intramurals, which consists of basketball, softball, and volleyball. Bowling leagues are also set up in conjunction with G.A.A. Any high school girl may join the club, and as she participates in the different activities, she receives points. At the end of the year all girls with a certain amount of points are presented with letters or other awards. To rase money to buy these awards, with club sponsors several projects, such as bake sales and dances. G.A.A. also sponsors a varsity basketball team which plays girls' teams from other schools. Girls' athletics have always been badly neglected at Westerville High School. The G.A.A. is to be commended for providing an opportunity for girls to have fun and to develop their skills in sports.

DRAMA–three nights to remember

TRAGEDY: The Valiant

With the appointment of a new department head, our dramatics program underwent a change this year. Instead of having Junior and Senior Class Plays, Mr. Nocks initiated Spring and Fall Plays, open to all W.H.S. students. In addition, to expand this new program, he supervised the production of three One Act Plays.

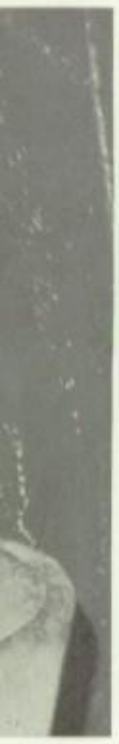
The first production of the year was *The Curious Savage.* Mrs. Savage, played by Ann Pomante, is an eccentric old woman, placed in an asylum by her greedy children. Her experiences at the Cloisters, where she meets the memorable characters Fairy Mae, Florence, Hannibal, Jeffrey, and Mrs. Paddy, are both amusing and thought-provoking. Before she leaves the Cloisters, she sees the dream worlds in which the other inmates live, giving the play an effective ending. A special setting and excellent lighting added to the other merits of *The Curious Savage.*

COMEDY: The Ugly Duckling

In March three one act plays were sponsored by the Thespians. *The High Window,* a mystery. directed by Ann Pomante, starred Becky Ruyan as a supposedly crippled woman who murdered her husband for insurance and then convinced her son that he had committed the murder. When a lady reporter, the son's fiancee, exposes her crime, the woman commits suicide. *The Ugly Duckling,* a comedy directed by Donna Hilburger, concerned a king (Joe Rarey) and queen (Dietra Delaplane) who plan to substitute a lovely servant for their homely daughter so that she can get married. A similar switch pulled by the young husband-to-be confuses the plan. In spite of the intrigue, the young people manage to fall in love and straighten out the deceit. *The Valiant,* a tragedy directed by Sharon Ballard, starred Carl Fry as a condemned murderer. The warden and a priest try to convince him to reveal his identity. A young girl (Carolyn O'Keefe) visits the prison in hopes of finding her brother and he tells her a story of her brother's death in the war. As the man goes to the electric chair, he quotes a line from *Romeo and Juliet,* "The valiant never taste of death but once," revealing to the audience that he was really the girl's brother.

MYSTERY: The High Window

CURIOUS SAVAGE: Ron Crouch, Paul Addington, Linda Steckhan, Diane Edgerton, and John Corbett.



The plot of the Spring Play *Dino* involves Dino Falcaro's return from four years at reform school for the murder of a night watchman. When he comes home, Dino finds his brother Tony going down the road to ruin. Dino's parole officer, Mr. Mandel, takes the defiant, young murderer to a nearby settlement house where he comes under the influence of Mr. Sheridan and Miss Haines, two case workers. At the settlement house Dino meets Shirley Wallace, a plain, intelligent girl, who is ridiculed by the other girls. Jackie, a receptionist, is Shirley's only friend. Dino and Shirley, two social outcasts, find in themselves a special understanding and a romance develops. Dino is further troubled and confused by his misunderstanding parents. He finally breaks down in Mr. Sheridan's office in the very dramatic third act in which Dino's innermost thoughts, fears and hates are revealed to the audience. Afterwards, Dino begins to understand himself more fully and he stops Tony from committing a robbery, thus saving him from eventual crime. The fine performances of Ralph Colleli as Dino and Charma Moreland as Shirley and the great job of directing by Mr. Nocks and Ann Pomante made this year's play a smashing success.

The 1964 Searchlight congratulates the drama department for its season of productions that will long be remembered by the students. Among its productions were some of the finest ever produced by the drama department.

Senior members of the Ohio History classes are eligible to join the Blendon Township Junior Historical Society. The purpose of the club, besides being honorary, is to preserve the history of Blendon Township. The members, led by Co-Presidents: Diana Yates and Roger Rice, and Secretary-Treasurers: Julie Scott and Toby Pearson, edit and refile information collected over the past years. At the end of the year, the society awards a medal to the person who has contributed the most unusual or valuable material to the permanent files.

CHEERING BLOCK

If this year's basketball games and pep rallies seemed to have more spirit, the credit may be given to the newly formed Cheering Block. Besides adding a dash of color to the games with their red and white uniforms, these eighty-four girls inspired enthusiasm to the team and spectators. Marie DelCol, with the aid of their advisor, Mrs. Near, successfully led the girls through their first year.

The ability to retain some knowledge of Chemistry and Biology and a willingness to give assistance to those trying to make sense out of it all are requirements for the exciting position of lab assistant. Circulating through the rooms, answering questions and helping set up apparatus require, in addition, extraordinary courage. This year's lab assistants answered the call for help and proved to be very valuable to the teachers who often can't find time to solve every problem.

A Health Office Aid is on duty one period each day to care for minor injuries and ill students. She is a person who is interested in nursing or some related field of medicine and is capable of handling the problems which sometimes arise when the office "gets stacked up." The nine girls who hold the title of Health Office Aid have proven themselves helpful to ill students and the school nurse.

THE WIZEKAT

They don't usually work together like this, but it made a good picture. The Wizekat staff from the left: Elaine LeCrone, Sandy White, Carolyn O'Keef, Sam Murphy, Marilyn Whipkey, Gary Lust.

This year the English Department, with the help of the Student Council, adopted a new project—the publication of a school paper. Capable writers were recommended by each English teacher, and from this list the staff was chosen. Sam Murphy, the Editor, and his assistant Sandy White work with Miss Staats and Mrs. Tobias in organizing and editing the paper. Carolyn O'Keefe, Elaine Le Crone, Gary Lust, and Marilyn Whipkey are page editors, and each is in charge of a different page of the publication. The paper, published once a month by the Hartco Company of Springfield, Ohio, provides for the previously neglected circulation of school news to all the students.

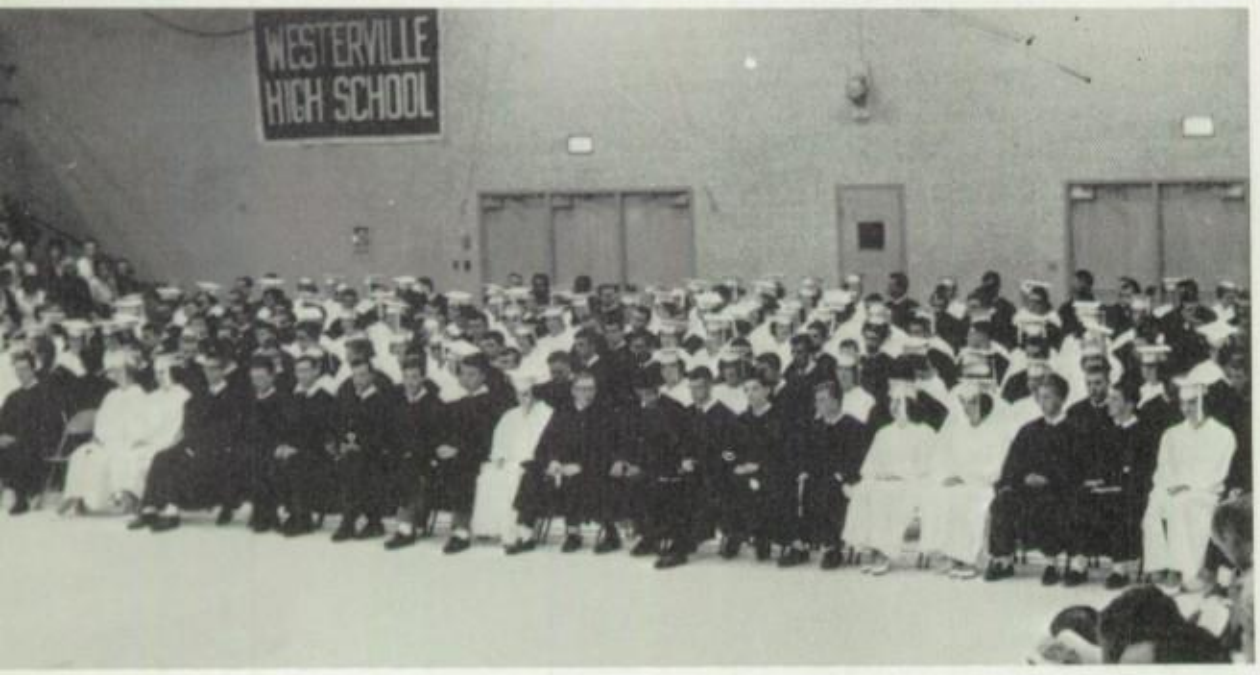
JR.-SR. PROM

The Junior Class, under the direction of Social Chairman Carolyn O'Keefe set a number of precedents this year in their planning of the Junior-Senior. For the first time the Prom was held out of the school at Valley Dale. Inspired by the mood of this setting, they added various effects to create the atmosphere of a southern plantation. The music was provided by Chuck Selby and his band.

Another "first" was the Hootenanny held after the dance. Discarding the traditional movie in favor of this newly popular form of entertainment, the Juniors held their Hootenanny in the cafeteria. Music by the Shilohs, a well-known group from Ohio State, kept everyone entertained and awake. The big night ended after the Hootenanny with a breakfast served in the cafeteria.



On Sunday, May 31, the graduating seniors of WHS donned caps and gowns for the first time and attended Baccalaureate service in the gym. The sermon entitled "Same Road, Different Map" was delivered by the Reverend Richard Wyatt of St. Matthew's Episcopal Church.

The following Thursday evening June 4, the Class of '64 filed once more into the gym to the familiar strains of "Pomp and Circumstance." Dr. Harold L. Yochum, President of Capital University, delivered an excellent message to the seniors on the unique, but thought-provoking, topic "Should Be—Ain't Is." Following Dr. Yochum's talk was a short farewell from Mr. Thomas O'Keefe and finally the long awaited presentation of diplomas. Then, with mixed feelings, the *graduates* of the Class of '64 left the gym for the last time as a group.

Sometimes it seems that teachers have a thankless job. Besides standing in front of a class all day and grading papers all night, they must play watchdog, counselor, and advisor to their students. When a senior is about to graduate, he stops to reflect on his past four years. The Class of 64 would like to stop now and pay tribute to their teachers and administrators for the guidance, patience, and understanding that the WHS faculty has freely and unselfishly given to them. They know that they have gained a lifelong friend in many of their teachers. So here is a hearty thanks from the Class of 64 to teachers and administrators for everything that they have done.

This section "Should Be-Ain't Is".

I have been told to be sentimental in this brief summary of a ear's work, but if you know me I just can't be sentimental (besides ho would believe me).

Don't close your annual because these next 29 pages include the dvertisements of the businessmen who have made this tremendous nnual possible. I would like to thank these businessmen as well as ll those students who have helped me complete this section. I would specially like to thank Joe Rarey who gave up much of his time ith Janet so he could sell and draw ads. There are also many other eople who contributed to this section: John Goldsmith, Ann Pringle, ancy Vorce, John Corbett, Pat O'Brien, Jim Runkle, and Jeff rown, to mention a few. I also feel I should thank Mr. Detamore ho didn't catch Corbett, Rarey, and I those days we missed so that is section would be assured of going to press.

I leave Linda Myers and John Westervelt, this year's Business anagers, with this advice:

Be courteous, kind, considerate, humble, modest, and sincere. In other words be like me!

Otterbein College
Salutes Westerville High School
Seniors!

When the sheepskin is presented to you, you are a high school graduate, the initial link on the ladder of success.

In this day and age to achieve our goals we must be educated and educated soundly. We must have college educations, in some cases, master's degrees, and often times, Ph.D. degrees to survive in this progressing world.

Otterbein proudly offers you the second link on your road to success. The college offers a variety of degrees, a pre-professional plan, and above all, a quality education.

Otterbein is proud of the seniors of Westerville High School, and would appreciate having the opportunity of offering you your college education. But, regardless of your decision, may we offer you our sincere best wishes in the future.

If you are genuinely interested in an education . . . Otterbein is interested in you.

The 1964 Searchlight is for the very first time a complete yearbook. The summer delivery plan offered by the American Yearbook Company made it possible for us to include, as nearly as could be, every event of the 1963-64 school year. We've worked very hard to reach this goal: long hours after school and time-consuming work on week-ends.

The total cost of over $5000 includes company printing charges, local photography expenses, mailing and other miscellaneous expenses. By selling advertising to the local merchants we are able to cover expenses which are not taken care of by the student book price.

Editing a yearbook is a full-time job for any inexperienced student and school work falls second in order of responsibility and time. A dependable staff, cooperative teachers, and a watchful advisor are all important requisites for publishing a good book. I'll say that we've been fortunate to have all those and more this year. We are most grateful for the help and cooperation that Mr. Mowder, Mr. Gary, and Mrs. Bunce have given us. Also, we thank all our teachers for their aid; George Lindsey, our company consultant, for his advice; and the loyal merchants and patrons for their contributions. I'd like to give my sincere thanks, also, to the hard-working heads of staffs for their dedication, constancy, and time.

Sincerely,

John L. Goldsmith
